

For the Future: Investments in Continuing Education

We are investing in the future.

To continue to be successful as a mid-size company, we set great value on offering a wide variety of continuing education and training options, and we make a point of investing in individual career development. We expect our employees to think outside the box and to have a spirit for teamwork, self-organization skills as well as an ability to work independently.

For Your Success and Ours: Qualification by Knowledge

**“An investment in knowledge always pays
the best interest.”**

Benjamin Franklin

At the LEWA Academy we offer opportunities to expand your skills and know-how. Whether you want to acquire advanced training in your area of specialization or whether you wish to improve your soft skills, it is up to you to decide. Our program of seminars offers something for everyone.

The LEWA Academy

- ▶ **Professional competence**
- ▶ **People skills**
- ▶ **Emotional skills**
- ▶ **Leadership competence**
- ▶ **Knowledge transfer**

To facilitate readability of the texts of this flyer, references to persons will always be given in the grammatically masculine form. In accordance, however, with our personnel policy, we expressly understand this reference in a completely gender-neutral way.
